## **Positive Behaviour for Learning Relaunch**

**Friday 6 December 2019**

Dear Parents/Carers

On Friday 6 December, students will be participating in a Positive Behaviour for Learning (PBL) relaunch being organised by Ayse Sirikci, our PBL Coordinator, and her team.

Positive Behaviour for Learning (PBL) is a school-wide behaviour initiative that actively promotes positive behaviour, enabling students to develop a clear understanding of school rules and expectations to encourage students to 'fly high' and be safe, respectful learners. Positive Behaviour for Learning fosters positive learning environments across all settings, supporting student learning and well-being.

Throughout this day, students will be taking part in various activities including free play water, which may result in wet clothing, therefore, please pack an extra set of clothing for your child.

Additionally, I request that all students come to school on the day dressed in a plain coloured T-shirt to align with the PBL colours **Yellow** (safe), **Orange** (respectful) and **Green** (learner).

Each class has been allocated one of these colours, as per the list below and the box on the top right hand side of this page.

### **Colour/Class**

**Yellow** - Primary 1, Primary 2 and Primary 3

**Orange** - Primary 4, Primary 5 and Primary 6/Secondary 1

**Green** - Secondary 2 and Secondary 3

Thank you for supporting this initiative.

Michelle Gray  
R/Assistant Principal
