Expression of Interest Presentation of Student Awards 2020 Wednesday 9 December

Your Childs Class is:

Dear Parents/Carers

I am delighted to inform you that, at this stage, we can proceed with an event to celebrate student achievement, with all students receiving an award regardless of parent/carer attendance at this event. This year, the way we present student awards will be different due to our emphasis on ensuring the safety of all. I ask you to complete and return this expression of interest attached to indicate if you are able to attend this celebration and to assist the school with the necessary preparations.

To comply with current restrictions, awards will be presented at a range of times throughout the day on Wednesday 9 December. The presentation of awards will be staggered to accommodate the need for social distancing and cleaning between sessions and each time slot will have a strict starting and finishing time. After each session parents/carers will be required to leave the school site promptly.

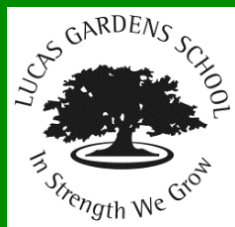

Small family groups can be accommodated and will be seated together, however, we require the full name, mobile phone number and email of each person attending no later than Thursday 2 December. All visitors will need to sign in on the day and remain in their allocated seat until the conclusion of the session.

If you would like to attend, please complete and detach the expression of interest attached and return it to the school no later than Wednesday 2 December. Due to current circumstances, late notifications cannot be considered. Session times will be confirmed on Monday 7 December, via a note in your child's bag. Please then reconfirm your attendance. If you cannot attend, please complete section 2 and return the RSVP attached.

At this stage, a **tentative schedule, subject to change** is as follows:
