Dear Parents/Carers

## Update 20/8/20 – Department of Education COVID-19 Procedures

In light of recent changes to the Department of Education's COVID-19 procedures, I would like to provide an update regarding student attendance:

- Students who are unwell, have mild flu like symptoms or have been collected by parents/carers after presenting at school with such symptoms must not attend school. The parent/carer must provide the school via email to [lucasgarde-s.school@det.nsw.edu.au](mailto:lucasgarde-s.school@det.nsw.edu.au) a copy of the **latest negative COVID-19 test result prior to** the students return to school. Upon receipt of the negative test result, the school will notify the parent/carers when the student can return to school.
- If a student presents at school as unwell or with mild flu like symptoms, the parent/carer will be contacted to arrange collection of their child from school.

The Department of Education's updated procedure can be viewed on the following link: <https://education.nsw.gov.au/covid-19/advice-for-families#Latest0>

Thank you for your continued cooperation with Department of Education procedures. If further clarification is required, please do not hesitate to contact me.
